Paying for school meals

Online method: Student meal accounts can be paid and monitored online at www.MealPayPlus.com. To register for online pay, you will need your child's 10-digit student ID number. Accepted methods of payments include Visa, Mastercard or ACH. There is a \$2.00 per transaction charge for this service.

In accordance with the county's Wellness Plan, Meal Pay allows parents to view their child's account at any time to see what is being purchased. Parents can also specify what can and cannot be purchased. In addition, email alerts can be sent when your child's account balance gets low.
